As long as you fill in the customer feedback form, show us your amazing idea about ACTi. You will have a chance to win the megapixel camera!! Every month we choose a lucky star according to your inspiring idea. We will evaluate the content first, and then announce who the winner is monthly.

We sincerely thank all of our customers. Please come back to ACTi every week for another chance to win! Keep providing your intelligent idea; you can be the winner of the fabulous prize!

Fill in ACTi Customer Feedback Form NOW!
Check the Winner of June

* ACTi will send out the prize every 2 months. If you have any question, please feel free to contact marketing@acti.com
About ACTi

ACTi Corporation is the technology leader in IP surveillance, focusing on multiple security surveillance market segments. ACTi's extensive technology innovations in the development of JPEG/MPEG-4/H.264 has empowered ACTi's worldwide partners and customers to enjoy best quality video performances from VGA up to Megapixel resolution at minimum bandwidth. The core value of ACTi is the ability to develop, integrate and market complete end-to-end solutions for our clients in the IP surveillance market. ACTi's technology advancements enable complete solution offerings to cover all segments of the security market. Not only offering the IP surveillance hardware such as IP cameras and video servers, all ACTi products are bundled with free management software; in addition to the rich selection of management applications offered by leading Independent Software Vendors that support ACTi hardware.

ACTi partners with distributors, application developers worldwide; with flexible customization offerings to accommodate different business models. ACTi's commitment to sales, marketing and technical support will empower this innovative IP surveillance technology to be thoroughly optimized and appreciated by ACTi's strategic customers.
